

Privacy Statement

Don McIntyre Consulting Ltd. is committed to protecting your privacy and continually upgrading our technology to give you the safest online experience possible. This statement of privacy applies to both Don McIntyre Consulting Ltd.'s website and iPad applications. By using the Don McIntyre Consulting Ltd.'s website and/or iPad applications, you consent to the data practices described in this statement.

Use of Information you have Provided to Don McIntyre Consulting Ltd.

Don McIntyre Consulting Ltd. (DMCL) will not use your user name, password, or client data for any purpose other than to offer Sell It Anywhere to you. We will not sell your information to third parties.

All your client's data will remain on your server and iPads and will not be transmitted to DMCL.

In the unfortunate event of an application crash, your user name and IP address may be sent with a crash report to DMCL. This will not include your password or client data. DMCL will delete this information after the crash has been identified and fixed.

Questions or comments sent via email or the website form may be passed on to the most appropriate staff member to answer.

Third Party Links

As our software solutions are available for different accounting packages, we may from time to time provide a link from our website to various third party websites. We have no responsibility or liability for the content of those website which will have separate and independent privacy statements. We do not pass on your information to these third parties.

Billing Information

Billing information is not collected through this website nor stored on a server that has access to the internet.

Cookies

We do not use cookies.

Changes to this Statement

From time to time, Don McIntyre Consulting Ltd. updates this Statement of Privacy to reflect changes in company policies and technology. We encourage you to review this statement periodically to keep informed on how Don McIntyre Consulting Ltd. is protecting your data.

This Privacy Statement was last modified on September 26, 2014.
